1	NOTES:	<p>Due to LONG lead times on truck chassis Vasso Systems strongly recommends adding 5% to this quote to allow for increases in steel surcharges and other market issues. If at time of build we are unable to honor this pricing we would use the additional 5% to complete this project. If the market stabilizes we would honor this pricing and will not charge the additional monies.</p>	<p>\$3,087.00</p>
