Material Tipping

- Tipping areas will be limited to within the confines of the transfer station and MRF. No vehicle will dump outside of the transfer station/MRF doors. All tipping floor personnel will be equipped with radios to communicate with company vehicles, scale operator and supervisors.
- Passengers or helpers in self-tipping vehicles will remain in vehicle at all times when waiting to unload or when unloading, unless engaged in assisting the driver. The designated person who exits the vehicle must stay within 6 feet of the vehicle. When closing swinging door(s), the driver or helper is to stay with the moving door until it is closed and secured. ALL DOORS WILL BE CLOSED ON ROLL-OFF VEHICLES OUTSIDE OF THE TRANSFER STATION, CLEAR OF TRAVELED WAY. NO vehicle is to be left unattended at any time while waiting to tip/unload, during unloading or after unloading.
