

ULSTER COUNTY RESOURCE RECOVERY AGENCY RESOLUTION NO. 2693

**RE: Authorizing an Amendment of Ulster County Resource Recovery Agency Resolutions
No. 1969 and No. 2318 regarding the Fuel Surcharge**

WHEREAS, The Ulster County Resource Recovery Agency (the “Agency”) is engaged in Solid Waste Management and Recycling in Ulster County, and

WHEREAS, The Agency had passed Resolution 1969 on September 21, 2005 and Resolution 2318 on March 24, 2014 relating to implementation of a fuel surcharge, and

WHEREAS, The fuel surcharge is based on an index created by the US EPA for the Central Atlantic On-Highway Diesel Price, is calculated monthly as a percentage of the tipping fee, and was implemented to offset fluctuation in fuel expenses the Agency incurs, and

WHEREAS, The increase in the tipping fee over the last few years combined with increased diesel price index has caused the fuel surcharge to inflate faster than the Agency’s cost of fuel, and

WHEREAS, the Agency staff has recommended the Board approve a cap of ten percent for the calculation of the fuel surcharge regardless of the price index, and

NOW, THEREFORE, BE IT

RESOLVED, that the Ulster County Resource Recovery Agency Board does hereby authorize a cap of ten percent of the tipping fee to be placed on the calculation of fuel surcharge, and

FURTHER RESOLVED, that the Executive Director and Agency staff are hereby authorized to take all steps necessary to implement this new policy, and be it,

FURTHER RESOLVED, that this Resolution shall take effect immediately.
